*The 29th Degree is the transitory period between the 28th Degree to the 30th Degree. Within this transition are found many lessons, teaching us reverence and obedience to the Deity, the service of Truth, the practice of Virtue and Innocence; and also to battle for Truth and Right, Free Speech, and Free Thought; and in this to defend the people against tyranny. The Scottish Knight of Saint Andrew takes these lessons to heart and thus the qualities of Charity, Clemency, and Generosity prevail; all of-this brought about by Humanity, Patience, and Self Denial. As Scottish Knights of Saint Andrew we find Honor and Chivalry in this position. The Knights of Saint Andrew are designed to place these lessons into action. This Order, consisting of 32° Scottish Rite Masons, shall exist for the purpose as a service organization on behalf of all members of the Guthrie Scottish Rite, under the immediate supervision of the General Secretary or his Designee of the Valley of Guthrie, so as to better serve our brethren, their ladies and guests who participate in Reunions and social activities of the Guthrie Scottish Rite.*
